Interesting Talks Heard At Meeting

About 75 people including a fair number of students heard two most interesting talks last Wednesday evening at the Frank Maddock High School and favourable comments regarding the talks have been heard on all sides.

The first speaker, Mr. J. Quaite, Principal of the High School gave an outline of the necessary subjects that a student should take in order to acquire the requisite number of credits for different purposes. Amongst other points that he made, Mr. Quaite emphasized the fact that, if a student hopes to attain a University Diploma, a high passing mark in Grade IX is essential.

The Acting Principal of the Northern Alberta Institute of Technology, J.O. Starritt, was the other speaker and he outlined the many facilities available at the Institute of Technology as well as making clear the educational standard necessary to enter for the different subjects.

From his remarks, it became apparent that any student having an idea that he or she could leave high school, regardless of marks and get into the Institute of Technology was in for a rude awakening since the standards required are, in many cases just as exacting as those for university.

Mr. Starritt pointed out that there are presently some 2,800 students at the Northern Alberta "Tech" and that, by September, 1966, they anticipated that there would be accomodation for about 3,800 but that, if a student was contemplating entering next September, he or she should make application no later than January as any student awaiting the return of results next August before applying would be out of luck.

The meeting was chaired by Mr. Bob Cowan, the president of the local Home and School Association who expressed thanks to both speakers and also his pleasure at the size of the turnout.

Shown above are some of the head table guests at last Friday's Pembina District Scout Council meeting in Sangudo. From the left are C. Gould, I.C. MacDonald, Mrs. J. Donahue, C.M. (Brick) Ward, Mrs. I.C. MacDonald and Ray Wickens.

District Scout Leaders Meet

An attempt to hold older boys in scouting by means of the Venture Program has proved successful in Edmonton according to I.C. MacDonald, guest speaker at the annual meeting of the Pembina District Council of the Boy Scouts Association in the Elk's Hall in Sangudo on Friday, November 26th.

The meeting was attended by representatives from Lodgepole, Cynthia, Drayton Valley, Whitecourt, Mayerthorpe and Sangudo.

Mr. MacDonald, an editorial writer for the Edmonton Journal, is an executive member of the Edmonton Regional Boy Scouts Council. He noted that for many older Scouts the Venture Program presented an opportunity to branch out beyond the scope of usual scout training. Under the Venture plan a group of boys can tackle a wide variety of pursuits ranging from canoeing to mountaineering.

I. C. MACDONALD

He outlined the work of the Edmonton Council in establishing a base camp near . Entrance with access to good climbing, canoeing and camping. He suggested that with the facilities available in or close to this area it should b possible to launch the Ventur program locally.

REPORTS ON PAST YEAR

The need to interest and hold older boys was also expressed by Ray Wickens of Drayton Valley, retiring president of the District Council, in summing up activities of the past year. Mr. Wickens stated that a new concept of scouting was being evolved that would permit boys, in groups as small as six, to obtain a leader and then engage in activities of their interest, but outside the training program of younger scouts.

During the past year, he said, the district had achieved many of the goals it had set. New leaders and training programs had paid off handsomely and although some key people had been lost, new leaders had been found to replace them.

D.V. HIGHLIGHTS

By Edith Deby

Mrs. Mikulin thinks dogs are a good thing but at present she has too much of a good thing. At the Mikulin farm three little collie pups are looking for good homes. These potential cattle dogs want farm homes. They definitely do not care for urban living. Call Mrs. Mikulin at 542-2037 for further particulars.

Gordon Reynolds, one of our Drayton Valley soldier boys, now serving in Germany, spent his last three weeks leave on a tour of Denmark. He thinks it is a wonderful country. Gordon is the son of Mrs. Joan Reynolds.

A most cordial wish for future happiness is extended to Mr. and Mrs. Wallace Mohn,

Cont. on Page 2

STUDY FISH STOCKING PROJECT

Members of the Drayton Valley Fish and Game Association are shown here discussing plans for the dam and fish stocking program planned for land leased by the Club near Violet Grove. Only a small attendance of members was present for the meeting at which plans were finalized and will now be presented to the Water Resources Branch for approval. Shown in the photo, left to right, are Marvin Grue, Vice-President, Adolf Lansidal., Mike Davidiuk, Pete Bureyko, Karl Degen, President and Dave Schmidt, Secretary-Treasurer.

GREY CUP T.V. SETS GO TO LOCAL CURLERS

The Grey Cup T.V. sets put up by the Drayton Valley Curling Club went to Grant Shearer and Red Mattoon. Sets were awarded at half time and full time.

nee Adele Mitchell.

Mr. and Mrs. William Louth would like their friends to know how very pleased they were with the house warming party. They would like to acknowledge, with thanks, the lovely gifts from family and friends. Mrs. Hubert Davidson and Mrs. Leslie Wall organized the party.

Mr. Arthur Playford, editor of the Fort McMurray Banner, was in town last Saturday to attend the Mohn-Mitchell wedding.

Sorry to hear that Mrs. Simon has been on the sick list lately.

Mrs. Gilbert Mitchell and family are visiting the L. L. Williams.

Dean Samis, son of Mr. and Mrs. Reg Samis, had the misfortune to break his leg last Friday while playing football.

Walter Mastre is still in hospital although his condition is very much improved. Therapy is improving his paralyzed right side to the extent that a complete recovery may be hoped for.

Reverend and Mrs. William Sayers, and sons, were the guests of Mr. and Mrs. Harry Zolmer over the weekend. Reverend Sayers, the first resident minister for the United Church in Drayton Valley, was guest speaker at the tenth anniversary service.

SCOUT COUNCIL MEETING

Cont. from Page 1

He reported that a new Cub group was started last year in Evansburg and a Scout troop in Lodgepole.

COMMISSIONER REPORTS

Jack O'Rourke, reporting on Cub activities in the district, stated that over 300 took part in the Cub Rally held last May. He described the work of a training team in Drayton Valley last spring and outlined a proposed new course intended to introduce new leaders to Cub activities.

District Commissioner Gould stated that although the district was still short of leaders it is getting nearer to the goal of one leader for every 10 boys.

He also reported on the Scouts Camporee held last spring and the District Commissioner's Conference held in Whitecourt last fall. The conference, he said, showed men in all walks of life taking an active part in the scout movement.

The Queen Scout Recognition ceremony in the Legislative Building in Edmonton was also described by Mr. Gould, who later showed films taken during the evening. Four boys from the Pembina District were honored at the ceremony.

OFFICERS ELECTED

A new slate of officers was elected and include: C.M. Ward, Sangudo, President; F. Atkinson, Whitecourt, Vice-President; C. Cyphery, Sangudo, Secretary; and C. Gibson, Whitecourt, treasurer. Area Resource Leaders elected are: L. Clark, Sangudo; F. Atkinson, Whitecourt; K. Taylor, Mayerthorpe; A. Fieldhabor, Pembina Valley; J. Tyler, Drayton Valley; E. Rosentreater, Lodgepole; and E.E. Whelan, Cynthia.

Drama Club Presents Entertaining Program

The Drayton Valley Players once again presented a fine evening of entertainment with their presentation of three one-act plays on Friday and Saturday of last week. This year the plays were held in the lovely auditorium of St. Anthony's School.

The group is to be congratulated on the plays chosen. Although all comedies, the wide variety of the stories provided a most enjoyable evening.

"The Other Half" was under the direction of Del Raddis and Betty Mosdell with Helen Franks as prompter and set designer. It dealt with a comedy situation between city people and a hill billy couple in a clearing in a backwoods with Cam McCracken, Werner Wenzel, Betty Mosdell and Del Raddis in the production.

Pat Moore directed and Marion McKenzie acted as prompter in the play "Rise and Shine". Although a cementery was the setting for the play it turned out to be a light love story with a twisted ending.

"The Poison Party" proved how well laid plans often go astray with Audrey Smale, John Mulgrew, Larry Beckett, Tom Bijou, Penny Meier and Louise Brown in the cast. Barbara Eckert directed and Shirley Machan was prompter and props designer.

Mrs. Miller Watt, of Westlock, has been staying with her daughter and son-in-law, Mrs. and Mrs. Doug Barnes, for the past two weeks. Mrs. Watt has been caring for her daughter's family while the latter was in hospital. Mrs. Barnes is making a satisfactory recovery following surgery.

What America really needs is more young people who will carry to their jobs the same enthusiasm for getting ahead that they display in traffic.

All too often a clear conscience is merely the result of a bad memory.

Local Girl Wins R.L.S.S. Award

Marianne Kaarsemaker passed the required tests and received the Award of Merit in the Royal Life Saving Society of Canada recently in Edmonton. Miss Kaarsemaker who served at the Drayton Valley Swimming Pool as a swimming instructor and a lifeguard during the past summer had been aspiring toward those R.L.S.S. honors for some time and she worked continuously to improve her qualifications in water safety and lifesaving during her employment at the local pool last summer.

MARIANNE KAARSEMAKER

Marianne is the daughter of Mr. and Mrs. Fred Kaarsemaker of Drayton Valley. She is sixteen years of age, was born in Alkmaar, Holland and came to Canada at an early age with her parents. Miss Kaarsemaker has taken a keen interest in our aquatic program ever since the Drayton Valley pool was opened in August, 1962. She acquired her Junior and Senior swimming Awards with the Canadian Red Cross Society in 1963 and got her Bronze Medallion and Senior Artificial Respiration Awards with the Royal Life Saving Society in 1964. In April, 1965 she qualified for her Senior Leadership Award with the Red Cross. This award is equivalent to the Red Cross Swimming Instructor Award. A candidate must be eighteen years of age or over before he or she may qualify for the Instructors Award. Senior Leaders may instruct in all phases of the Red Cross Water Safety program under the direction of a fully qualified Red Cross Instructor. Miss Kaarsemaker taught all levels of swimming in the Red Cross program at the local pool during the past summer.

The Award of Merit in the Royal Life Saving Society is an accepted standard for advanced training, requiring a high degree of skill in lifesaving and watermanship. The course, a difficult one, is suitable for the experienced swimmer who may train individually with some coaching or as part of a group. Lifeguards may use the Award of Merit as an incentive for continued training and conditioning for their very important and responsible duties.

The aim of this particular award is to promote the intelligent application of life saving, swimming, first aid and general water safety knowledge in any emergency situation. Here the candidate is subjected to a rigorous training for many situations which may be encountered in the line of duty of a lifeguard. This ability must be demonstrated by satisfactorily completing an oral test and by performing the actual water work with a high degree of efficiency. To qualify for the Award of Merit a candidate must be sixteen years of age and hold a Bronze Medalion as well as a Senior Artificial Respiration Award in the Royal Life Saving Society.

Congratulations to Miss Kaarsemaker on a difficult assignment, very efficiently carried out. It is very probable that Marianne will be a member of our swimming pool staff again next year.

LEGION PLANS FAMILY NIGHT

The next family night for Legion and Auxiliary members and their families will be held Sunday, December 12th in the Legion Hall. To start the evening off we have planned a pot-luck supper to begin at 6:00 p.m. Each family will bring enough food for each person coming. Eg. A family of five could bring (Potatoes, meat, vegetables or salad, dessert) for five. This is only an example, perhaps some people prefer goulash or spaghetti and meat balls, etc. Buns, coffee and cool-ade will be provided.

After supper, carols will be sung and children who wish to recite, sing or dance may do so.

For each child coming from your family, please purchase a small gift (maximum price $1.00), wrap it and tag it with their name as Santa plans to pay a visit.

See you there?

BRETON HOLDS REFEREES' CLINIC

On Saturday, November 20th a Basketball Referee clinic was held at Breton High School. The purpose of the clinic was to discuss basketball rules and techniques in playing, this being to increase the calibre of playing in this area.

Mr. Leo Superstein, Educational Officer of the Edmonton Basketball Officials, Association was the co-ordinator and speaker at the clinic. Mr. Supersteins official duty is to give educational guidance at basketball clinics in an attempt to increase the standards of professional refereeing.

Eighteen teachers and students from Breton, Calmar, Evansburg, Warburg, Wetaskiwin and Winfield were present. The following were named in attendance: Mr. L. Oulton, Mr. U. McAmmond, Miss M. Sock, Clifford Eliuk, Ronald Hanson, and Clifford Hanson of Breton; Douglas Hadley and Alen Blahun of Evansburg; Mr. Sauve of Calmar; Mr. R. MacDonald, Percy Gee and Richard Carstairs of Warburg; Layne Gilbertson of Wetaskiwin; Father F. Floyd, Mr. T. VanOerle, Mr. R. Bernard, Miss M. Green and Myna Hutchinson of Winfield. Fourteen of these eighteen will receive referee cards.

Much credit must be given these people for their interest taken in upgrading basketball in the western area and in so doing the clinic proved very successful.

TEACHERS MEET AT STONY PLAIN

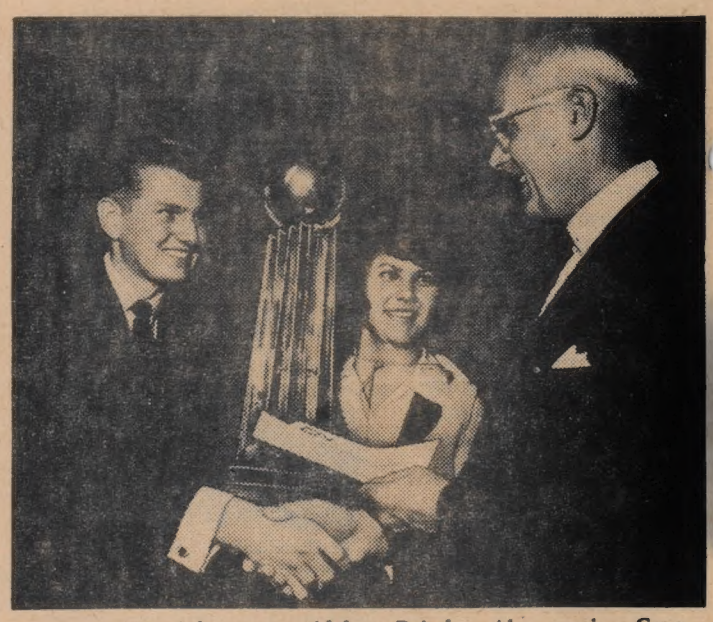
At a recent meeting of the teachers of the Stony Plain Local, Alberta Teachers' Association, business was combined with a social evening where teachers of the local could meet with their associates from the schools scattered in the area from Winterburn to Lodgepole. This meeting, arranged by the teachers of the Stony Plain school, was most successful. Guests for the evening included Mrs. Cornelia Wood, MLA, Mr. and Mrs. F. Hannochko, Mr. and Mrs. W. Boychuk, Mr. and Mrs. Barth, and representatives from the Drayton Valley Separate School. The supper was prepared by the C.W.L. of Stony Plain.

Immediately following the supper, a short business meeting was held to elect officers for the local. The following were successful: Past President, Mr. R. Wood (Stony Plain); President, Mr. R. Hymphrey, (Drayton Valley); Vice President, Mr. J. Melnychuk (Seba Beach); Sect.-Treas., Mr. S. Ibsen (Spruce Grove); Annual Representative Assembly Delegates, Mr. R. Wood (Stony Plain), Mr. D. Kondruk (Wabumun), Mr. L. Brown (Winterburn), Mr. J. Orieux (Drayton Valley); Convention Committee, Mr. M. Martyn (Stony Plain), Mr. I. Miller (Stony Plain), Mrs. A. Priegert (Entwistle), Mr. C. May (Seba Beach);

While the meeting was being held for the teachers, Mrs. Kreuger, of Stony Plain entertained the wives and escorts of teachers with slides taken in Ethiopia. The evening concluded with a dance.

BANQUET NOTICE

Any person who is 70 years of age and have not answered this letter concerning the Senior Citizens Banquet on December 21st sponsored by the Order of the Royal Purple it would be appreciated if this be done immediately. If you are or are not planning to attend please phone 542-2190 or 542-3694. This is most important in order for the Royal Purple to finalize plans.



Larry Hixt, left, 17-year old from Beiseker, Alta., receives Canadian National Railways challenge trophy as world wheat champion. Making presentation at Royal Agricultural Winter Fair in Toronto is Douglas V. Gonder, right, vice-president of CN's Great Lakes Region, while Denise LeBlanc, Miss CN, offers her congratulations.

SOIL TESTING -

Before ordering or buying a Commercial Fertilizer it is important to know your specific needs. Different fields may require different amounts of plant food depending upon what was grown on them this year and what you plan to grow on them next year.

The Alberta Department of Agriculture provides you with a soil testing service so that you may know your exact requirements for the different fields. Soil sampling kits containing shipping containers, information sheets and addressed envelopes may be obtained at the Agricultural offices in Evansburg and Edson.

Alberta Exhibitors To Be Congratulated

Alberta exhibitors in the field crops section of the Toronto Royal Winter Fair deserve to be congratulated for consistently bringing so many top placings back to this province, says Field Crops Commissioner, A. M. Wilson.

Mr. Wilson noted that Alberta exhibitors have taken no less than 50 world championships since the last war. They won the World Wheat Championship for five consecutive years and brought it to Alberta nine times since 1955.

This outstanding achievement may be partly due to a favourable climate, says Mr. Wilson, but most of the credit should go to our seed producers. They and our 4-H members have done a wonderful job over the years. The intense pride that they take in their work is clearly reflected by their consistent winnings at the Royal.

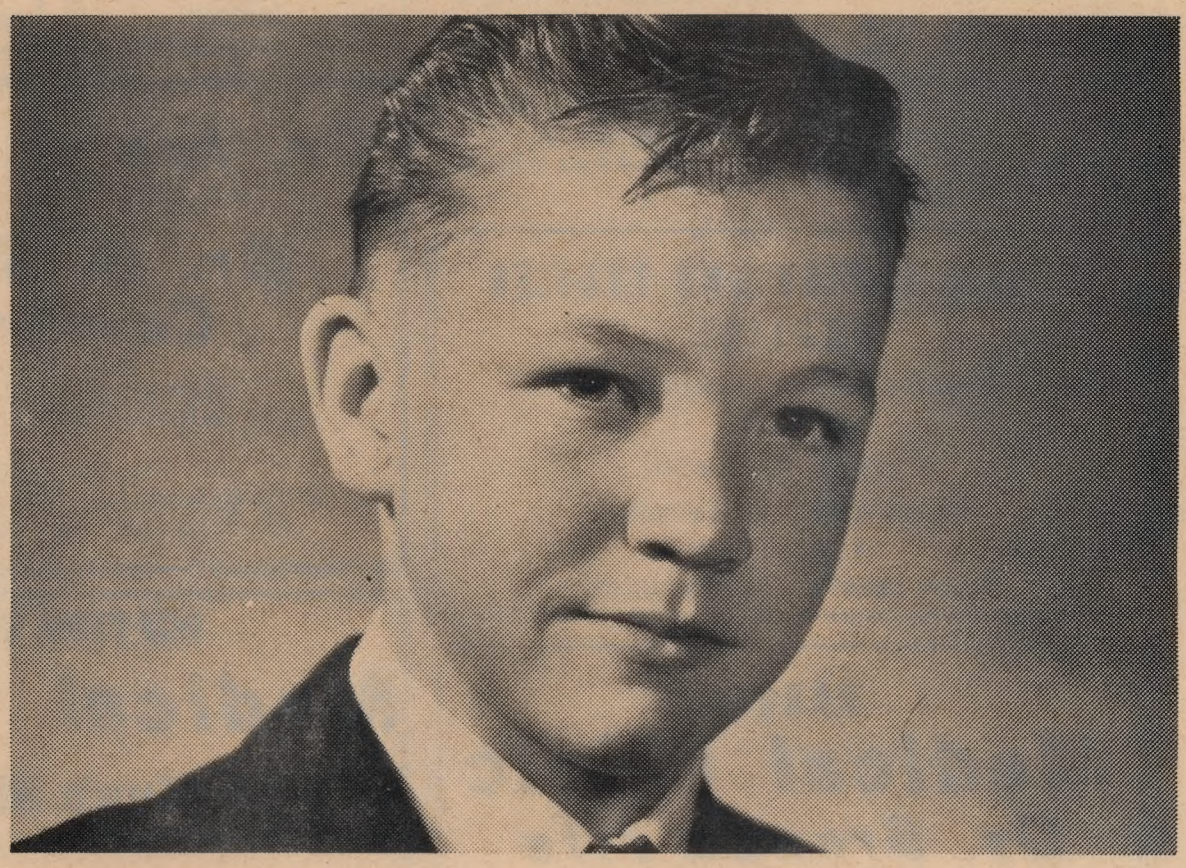
Alberta s championship winners this year were Larry Hixt of Beiseker who won the World Wheat Championship, Harold Hansen of Vulcan who retained the World Flax Championship and W. C. Schafer of Innisfail who won the Canadian Seed Trade Challenge Trophy with his entry of Climax Timothy. This award is given for the top forage crop seed sample.

Tona Ohama of Rainier took the Canadian Horticultural Council Trophy in the international competition for seed potatoes and the Salada Foods Ltd. Championship Trophy for table stock. Mr. Wilson points out that this is tangible evidence of a rapidly expanding industry in this province.

According to Mr. Wilson, the total number of Alberta entries in the field crops classes at the Royal fell off sharply this year due to lower grain grades brought about by unfavourable harvesting.

ALBERTA JUNIOR CITIZEN OF THE YEAR
BULLETIN:

THORSBY BOY HONORED FOR SAVING COUSIN



It was November 21, 1964 when a near-fatal incident occurred near the home of thirteen-year old Tim Alenius. His sister Linda and cousin Pat Wickstrom were skating. In his eagerness, Pat skated out too far. Suddenly, the ice cracked and Pat fell into the icy water of Pigeon Lake.

He could not climb out. Linda skated furiously for her home to bring help, but her father's repeated efforts to reach Pat were prevented because the ice kept cracking.

Then young Tim came into view. Quickly sizing up the situation, he crawled out to the exhausted Pat and caught him by the hand.

He inched even closer, grasped the collar of Pat's jacket, and slowly pulled him onto solid ice. Then Mr. Alenius took over with towels, blankets and hot water.

We congratulate Tim. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Howard Bowes, Editor of the Leduc Representative and to Tim's nominator, William Grasiuk of Thorsby.

French Cuisine - With a busy social season upon us, planning parties is a bit easier if you have a theme to work from. A foreign theme gives lots of scope. French themes can be a big hit if you serve some famous French foods.

Croque Monsieur

8 slices white bread
Butter
4 thin slices cooked ham
4 thin slices processed Swiss cheese
2 eggs, slightly beaten
1 tbsp. water

Butter bread. Using a slice of ham and a slice of cheese for each, make 4 sandwiches. Tie with string, if desired. Combine eggs and water in shallow baking dish.. Preheat lightly greased griddle on "Burner with a brain' set at high flame and 325° F. until flame reduces. Dip each sandwich in egg mixture and brown on griddle until cheese is melted and sandwiches are well browned on each side (2 or 3 minutes per side). Remove string. Cut and serve hot as an hors d'oeuvre or as a luncheon sandwich. Serves 4.

Eggs a La Reine

Place rounds of toast in baking dish. Cover with sliced mushrooms sauteed in butter, then with poached eggs. Pour over all, hot Cheese Sauce. Sprinkle with grated cheese. Place in 375° F. oven until cheese melts.

Cheese Sauce --
2 tbsp. butter
2 tbsp. flour
1/4 tsp. salt
1/8 tsp. pepper
½ tsp. dry mustard
1 cup milk
½ cup nippy cheese

Melt butter over low heat in a heavy saucepan. Blend in flour, seasonings. Cook over low heat, stirring until mixture is smooth and bubbly. Remove from heat, stir in milk. Bring to boil, stirring constantly for 1 minute then add cheese and stir until melted.

Veal Cutlet Cordon Bleu

12 thin veal slices
6 thin slices Swiss cheese
6 thin slices Virginia ham
Flour
3 eggs, beaten
3/4 cup bread crumbs
3/4 cup butter
Salt
Freshly ground black pepper
24 cooked asparagus tips

Flatten the veal slices with a cleaver and sprinkle them with salt and pepper. Put 1 slice of cheese and 1 slice of ham on each of 6 veal slices, cover with remaining veal slices. Pound end slices. Pound edges together. Dip in flour, then in egg, then in crumbs. Fry in butter for about 8 minutes. Serve with hot asparagus tips. Serves 6.

Mocha Sponge

Bake 2 sponge cakes in round 8" pans. Cool thoroughly. Cut each in half crosswise. Spread three layers lavishly with Mocha Butter Cream. Stack the 4 layers leaving the unfrosted layer on the top.

Mocha Butter Cream--

Work ½ cup butter or margarine until creamy. Beat in 4 egg yolks alternately with 1 1/4 cups confectioners sugar. Add 1 tsp. almond extract and 2 tbsp. double strength coffee.

Frost the entire cake with Mocha Whipped Cream. Sprinkle shalved chocolate or toasted salted almonds on the top. Garnish the cake plate with sugar frosted grapes. Ch Chill at least 3 hours. Serves 12.

Mocha Whipped Cream--

Pour into a small cup or custard cup 2 tbsp. cold double or triple strength coffee beverage. Sprinkle 1 tsp. unflavored gelatin over cold coffee. Let stand about 5 minutes, to soften. Dissolve gelatin completely by placing over hot water. Using a chilled bowl and rotary beater, beat 1 cup chilled whipping cream until frothy. Stir cool gelatin and very gradually add gelatin to cream and continue to beat after each addition until cream is of medium consistency (piles softly). Work quickly. When all gelatin has been added, beat into whipped cream with a few final strokes until blended, 1/3 cup confectioners' sugar. Beat until cream stands in peaks when beater is slowly lifted upright.

Larry Jorgenson, Special Crop Supervisor, Brooks Horticultural Station (left), and E. "Butch" O'Donnell, Taber, President Alberta Potato Growers' Association examine Alberta potato display at the Royal Winter Fair, in Toronto. The display was sponsored jointly by the Alberta Department of Agriculture; Alberta Potato Growers' Association; Golden Top Farms, Rainier; Park-Wel Produce Ltd., Vauxhall; Pheasant Valley Farms, Rosemary; and Shimbashi and Sons, Barnwell.

Canada is second in the world world - to the U.S. - in hydro-electric power.

"One for the Road" IS ONE TOO MANY

Our most valuable coin is a 1911 silver dollar. Only three were minted and one of them, from the collection of the late Farouk, was offered for sale for $100,000.

Curling News

Plans are almost completed for the coming MENS OPEN TURKEY SPIEL, open to the first 32 entries. There will be draws on Wednesday and Friday evening as well as all day Saturday and Sunday. Entries can be obtained by either signing at the Curling Club or phoning Al Casey at 542-3182 or 542-3097. President Kevin Goble says that there will be no problem in filling the 32 entries, if you plan on curling in the spiel please get your entry in early to avoid any disappointments. Dates for the 'spiel are December 17th, 18th and 19th.

The surging team in the club over the past few weeks has been the Honest John Rink, skipped by John Wronko and a front end of Fred Holan, Al Briere and Don Enyedy. The team has gone undefeated in league play to this date. Four straight is more games won than in the past year. Other undefeated rinks in league play to this date are the Glen McLaughlin Rink skipped by Archie Griffith, the John Fournier Rink skipped by Gary Bannard, Bill Fiveland and Bert Demurs.

In the Pilsner Sunday League in a pre-arranged eight end match, Gary Bannard defeated the Ewoniak Rink 7 - 6, Gary Lorenz defeated Duane Boliantz 12 - 9, Ken Machan upset Adrien Meier 10 - 2 in another eight end match. Al Small defeated Ron Meier 12 - 10 in 12 ends and Dr. H. Shimbashi defeated Bill Nikolyuk of Wildwood 9 - 8 after 12 ends.

The Mens Curling League will be completed on December 14th. The curlers will take a break till after the festive season. New draws will be started on the 3rd of January. Trophies will be awarded to all the section winners when the draws are completed. Section trophies will be put up by the Drayton Valley Men's Curling Club.

CURLING CLUB STANDINGS

Men's Curling League - Section "A" - Fournier 6, Fiveland 7, Shimbashi 6, Gillis 5, Goble 4, Soleski 3, Nelson 2, McGaughy 2, Harrison 2 and Streit 1. Section "B" - McLaughlin 8, Schearer 4, Meier 4, MacLean 4, Small 4, Leake 4, Laboissiere 3, Young 3, Berg 2 and LaBranche 0. Section "C" - Demurs 8, Wickens 6, Trueman 5, Matt 4, Bell 4, Cathrea 4, Poloway 4, Casey 3, Cochran 2 and Barrett 0. Sunday Mixed Leage - Section "E" - Campbell 4, Johanneson 4, Griffith 4, Sware 2, Herbert 2, Raven 2, deGueest 2, Stack 0, Bell 0 and MacKenzie 0. Section "F" - Pruden 4, Murray 4, Leake 4, Rienhart 4, MacDonald 2, Swensied 2, Meraw 0, Thompson 0, O'Rourke 0, Wagner 0.

LAMINATED DRYWALL

Two layers of drywall are now being used as a wall finish instead of one.

Dianne Hammer, Alberta's Home Design Specialist, explains that you can obtain a more rigid wall and the problem of nail popping is eliminated by using laminated drywall.

She says the first layer of 3/8" drywall should be applied by nailing it to the studding. The second layer of 3/8" drywall should then be glued to the first with contact cement and nailed with a coubleheaded nail. As soon as the adhesive has set, remove the double-headed nail and tape and finish the joints.

Warriors Win Two Games Last Week

The FMHS Warriors put together back to back victories last Thursday and Friday evenings as they turned back the Thorsby Five 56 - 48 in a league opening contest and then defeated Seba Beach 42-22 the following night.

Jim Cathrea led the Drayton boys in both contests scoring 25 and 22 points respectively to raise his four game total points to 96. Center, Rolf de Geest dropped in 10 points in the Thorsby game and five more against Seba Beach.

The Warriorettes dropped a heartbreaking league opening contest 22 - 21 to the Thorsby Honeybees. Leona Kruger led the local High School girls with a 7 point effort and Loma Sock dropped in 6 more. The Warriorettes in a rebuilding season continue to look better every time out.

The Warriors play the Harlem Comedy Clowns this Friday evening and then travel to Winfield the following Friday for their second league contest.

The Warriors have also been invited to take part in the Knights of Columbus annual tournament to be held in Milk River, Alberta, during the Christmas vacation.

Here they will be competing with fine teams from Southern Alberta. Drayton Valley is the only Northern Alberta team taking part in the tournament.

Some financing is required to enable the boys to make the trip and it is hoped that this will not deter the team from representing the community in the South.

Christmas Toy Hints From Safety Council

There's no Christmas like a child's Christmas. And it's worth the parents' most ernest safeguarding in shopping for toys. Here are a few hints for present buyers from the Alberta Safety Council:

The "Hand to Mouth" Age--up to 2 years. Sturdy rattles, brightly colored objects hung in view, rubber or washable squeak toys and stuffed dolls or animals (check the ears for wire supporters), large, soft colored balls, blocks with rounded corners, push and pull toys with strings or rounded handles, nest of objects. Avoid small toys which may be swallowed, flammable objects, toys with small removable parts, poisonous paint on any object or stuffed animals with glass or button eyes.

The "Explorative" Age--2 to 3 years. Sand box with bucket, shovel and spoon, large peg boards, wooden animals, cars and wagons to push around, tip-proof kiddy cars and tricycles, large crayons, low rocking horse, small chair and table. Avoid anythin with sharp or rough edges which will cut or scratch, objects with small removable parts, poisonous paint or decoration, marbles, beads, coins, or flammable toys.

The Let's Pretend" Age--3 to 4 years. Small broom and carpet sweeper, toy telephone, dolls with simple wrap-around clothing, doll buggies and furniture, dishes, miniature garden tools, trucks and tractors, non-electrical train, drum, costume clothes and building blocks. Avoid toys which are too heavy for a child's strength, poorly made objects which may come apart, break or splinter, sharp or cutting toys, highly flammable costumes or electrical toys.

Beginning of Creative Age--4 to 6 years. Blackboard and dustless chalk, simple construction sets, paints and paint book books, doll house and furniture, small sports equipment, skipping rope, washtub and board, paper doll sets with blunt end scissors, costumes, modelling clay. Avoid shooting or target toys which will endanger eyes, ill-balanced mobile toys (tricycles, wagons, etc.) which may topple easily, poisonous painting sets, pinching or cutting objects.

Beginning of Dexterity Age-6 to 8 years. Carpenter bench, and well constructed, lightweight tools, sled, construction toys, roller skates, approved electrical toys, kites, equipment for playing store, bank, filling station, etc., playground equipment, puzzles and games, sewing materials, dolls and doll equipment. Avoid non-approved electrical toys, anything too large or complicated for child's strength, ability, sharp-edged tools, poorly made skates, conductible kites, shooting toys.

Specialization of Tastes and Skills--8 and older. Hobby materials, arts and crafts, photography, coin and stamp collections, puppet shows, musical instruments, gym and sports equipment, model and construction sets, electric train, cars with Canadian Standards Association approval, bicycle, or science sets. Avoid air rifles, chemistry sets, dart games, bows and arrows, dangerous tools and electrical toys UNLESS used under parental supervision, motor scooters and non-approved electrical toys.

When success turns a person's head, he is facing failure.

Centennial Speakers Bureau Formed

1867 | 1967

The Centennial Co-ordinator for the province of Alberta, Mr. J.R.D. Findlay, is pleased to announce the formation of a Centennial Speakers' Bureau, effective immediately.

The Bureau, which is staffed by members of the Centennial Committee and other qualified persons, was established to assist and guide those groups, clubs, organizations and communities who are desirous of implementing a Centennial project or projects, but who have some doubt as to where to begin and what general procedure to follow. Information will also be offered in the areas of biographies and histories, where questions might arise as to what support is available, outside of the Federal Provincial Centennial Grants Program.

Centennial speakers will not only be available to address groups on the subject of Centennial, but will also be prepared to conduct workshops with a view to a better understanding of the meaning of Centennial, and methods of celebrating the 100th Anniversary of Confederation in Canada. At all times, emphasis will be placed on personal initiative and personal involvement in Centennial.

As a result of the initial work of the Centennial Officers in speaking to groups and communities throughout the province, several such groups have established Centennial Committees for the purpose of implementing many new non-grant projects. Many of these projects are already underway.

It is understood by the Provincial Centennial Office that there are other local speakers' bureaus in existence. However, it is emphasized that this newly created bureau has been established to provide Centennial speakers who are qualified and available to travel throughout the entire province.

Speakers may be arranged for by contacting the office of the Centennial Co-ordinator, 421 Legislative Building, Edmonton, Alberta. Telephone number is 229-3967.

Lodgepole News

MRS. W. NORQUAY
Correspondent

Mr. Reg Knapp, Mr. Roger Nelson and Mr. Ed Rosentreter all went to a supper and Cub and Scout District Council meeting at Sangudo on November 26th.

The Bazaar, Home Bake Sale and Tea were a big success on Tuesday, November 23rd. Both the men as well as the women did their best by dropping in for tea or coffee. The U.L.A. wish to extend a very big thank you to the citizens of Lodgepole for their help.

There will be a public dance at the Community Hall on December 10th. Music will be by the Riveairas. Everyone is welcome. Dancing will be from 10:00 till 2:00 a.m.

The skating rink is coming along pretty well. They started making ice last week for the curling rink. There were quite a few things to do to prepare the rink before making ice.

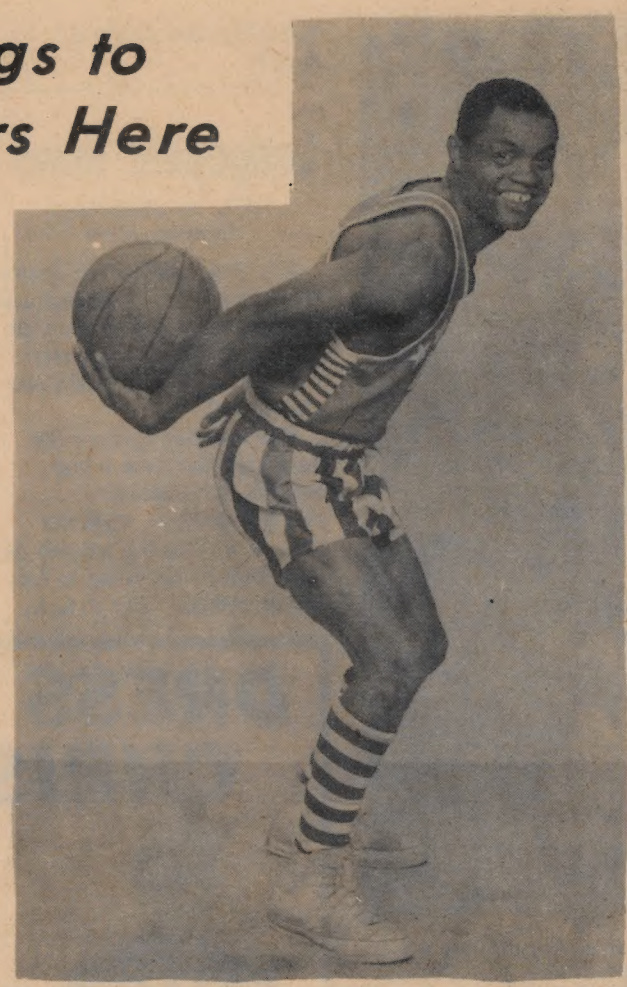
Comedy Kings to Play Warriors Here



The touring Negro laugh-makers are traveling again this season to entertain the fans with their skill in basketball.

The Comedy Kings, while not as famous as their counterpart, the Harlem Globe Trotters, are a talented brand of fun makers who can turn on the steam or tickle the fancy of the most staid fan, all within minutes, with their dribble, passing and shooting.

The Comedy Kings are billed as a basketball circus, America's greatest sports show. The Comedy Kings are a barnstorming outfit with a carload of tricks.

A talent-plus-comedy routine equivalent to that of the famed Harlem Globe Trotters. The Comedy Kings put a few fancy added wrinkles into ball play.

The Comedy Kings are capable of beating most opposition with straight ball. They add unorthodox ball handling, contortion and wisecracks to entertain the fans.

The touring Kings will take on the Frank Maddock High School Warriors on Friday of this week at 8 p.m.

Governor General Aids Safey Drive

Canadian cities with populations exceeding 40,000 where Safe-Driving Week is completed without a road death will receive certificates of commendation from the Governor-General. Safe-Driving Week is sponsored across Canada from December 1 to 7 by the Canadian Highway Safety Council of which the Governor-General is patron.

This man is fighting fire.

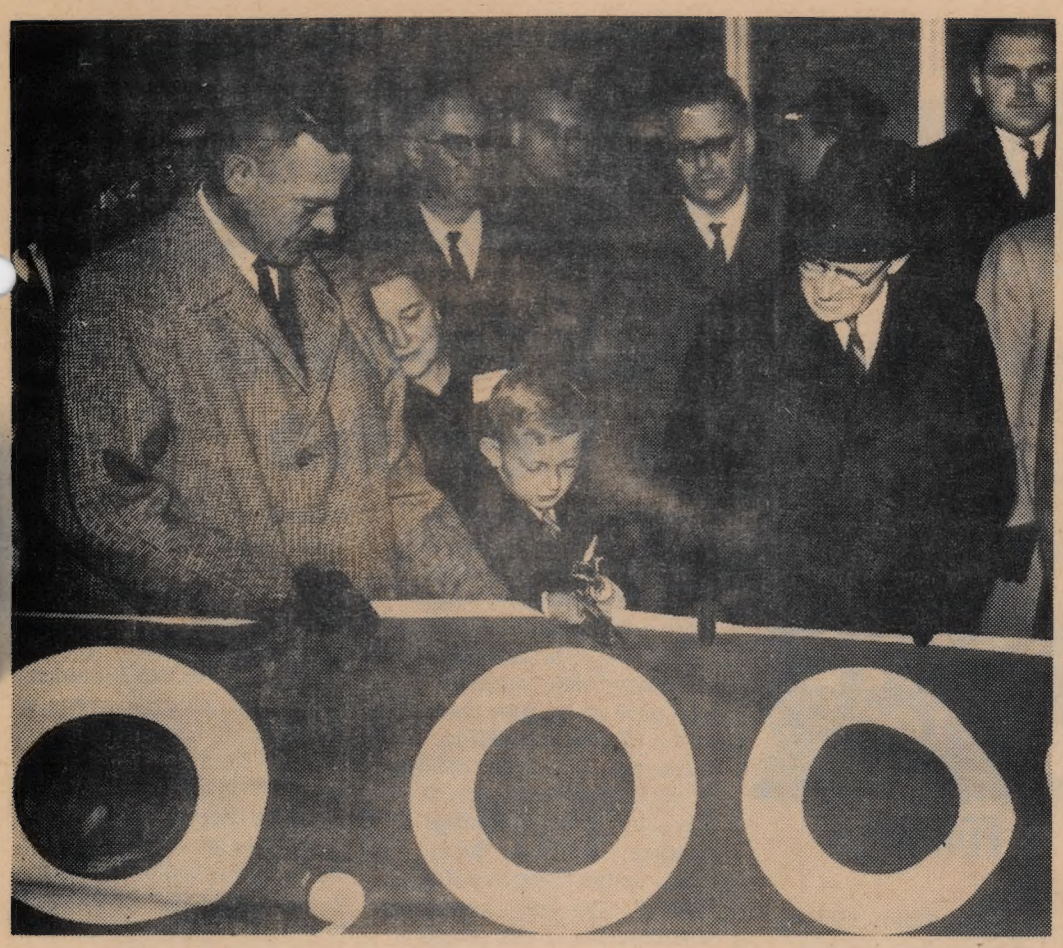
Although rarely seen in helmet, coat and rubber boots, as a member of the Alberta Fire Commissioner's staff, this man is a fire fighter who plays an important role in helping to reduce fire losses.

It is the function of the Fire Commissioner's office to prevent fires. Prevention is carried out in a number of ways—through rigid enforcement of all fire laws and regulations, including investigations into the causes of fires and, where warranted, prosecution of arsonists. To assist in the reduction of fire losses, the Fire Commissioner and his staff conduct an extensive Fire Training program, including Fire Officers' training courses at the Alberta Fire Training School, which is open to all Alberta fire departments. This office also conducts a comprehensive Fire Prevention program for schools, institutions and industries, and promotes the Fire Prevention Week—the highly effective annual campaign designed to make the public more aware of the ever present threat of fire.

Alberta's fire losses in lives and property, while still too high, would be much higher without the trained firemen at the scene and the behind-the-scenes work of the Alberta Fire Commissioner's Office.

PROVINCE OF ALBERTA

DEPARTMENT OF THE PROVINCIAL SECRETARY
Hon. A. Holowach, Provincial Secretary
P. B. Howard, Deputy Provincial Secretary



Roy Umbach, Alberta's 1965 Easter Seal "Timmy" cuts the $100,000 ribbon freeing the construction equipment to which the ribbon is attached so that work may begin on a southern camp for Alberta's handicapped. Bill Peacock (left) president of the Calgary Kinsmen, the club that donated $100,000 to this worthy project and Dave Jones, chairman of the South Camp Board "Camp Horizon" look on. The ceremony took place in Calgary recently.

306 Killed To End Of October

To the end of October 306 motorists were killed in Motor vehicle accidents according to the Alberta Safety Council in its monthly Accident Summary.

The 306 deaths represent a 5 per cent increase compared to the 292 deaths recorded in the same period a year ago.

Forty-seven Albertans died during the 31-day month of October, 40 were fatally injured 12 months ago. R.C.M. Police reported 38 deaths, Edmonton 5, Calgary 3 and Medicine Hat 1.

A total of 3,037 accidents were reported during October to bring the provincial 10 month total to 25,839 an increase of 11 per cent.

Injuries have shown little or no increase since the first of the year. A total of 6,748 injuries have been recorded by various police departments in the province this year compared to 6,704 a year ago.

To the end of September the estimated damage due to motor vehicle accidents is $10,594.00.

A preacher who was very fond of horseradish always kept a jar of it on his dining room table. He offered some to his guest who after recovering said "I heard many preach hell-fire but you're the first to give samples of it".

WEED COMMITTEE MEETING

The Western Section of the National Weed Committee will meet in Calgary from November 30th to December 2nd to appraise weed research being carried out in Western Canada and to finalize their reports.

According to W. Lobay, Supervisor of Weed Control with the Alberta Department of Agriculture, the meeting will feature discussions and recommendations on the cultural and chemical aspects of weed control.

Among the herbicides to be reviewed and assessed is a relatively new one, known as Bromoxynil, which has already received some publicity from a number of research workers. This chemical has shown considerable promise as a selective herbicide for controlling a wide range of broadleaved weeds in cereal crops.

Picloram is another herbicide which will probably come under close scrutiny. It shows promise as a selective herbicide and a soil sterilant and will be evaluated in the light of its past performance in trials throughout Western Canada.

The Western Section of the National Weed Committee is made up of research personnel from universities, research stations and experimental farms as well as representatives from the provincial Department of Agriculture and commercial organizations manufacturing and handling herbicides. The Committee's report is used as a basis for provincial weed control measures. Mr. Lobay points out that the efficacy and safe use of herbicides are considered when recommendations are made.

The Alberta Advisory Weed Committee will meet shortly after the National Weed Committee meetings to consider the 1 66 weed control recommendations for the province.

Career Night Planned

Wednesday evening, February 16th will be "Career Night" in Drayton Valley. This long awaited night has been arranged by the Frank Maddock High School.

Representatives from the Department of Education, business and professional men will be present to discuss fully all the different opportunities open to young people. There will be no representatives from the armed forces.

The evening is designed primarily for students, but it is hoped that both parents and students will make a sincere effort to attend. This program will replace the Home and School meeting for February.

Approve Projects For Breton And Sangudo

The Honourable Ambrose Holowach, Provincial Secretary for the province of Alberta and Chairman of the Alberta Centennial Committee, and the Honourable Maurice Lamontagne, Secretary of State and federal minister responsible for Centennial Affairs, Have announced that both federal and provincial approval has been granted to seventeen more Alberta communities for their applications for Centennial Grants.

This brings to 71 the number of communities in the province which have Centennial projects underway under the Federal-Provincial Grants Program. Deadline for submission of applications for Centennial grants to the provincial Centennial Committee is December 31, 1965.

Recently approved projects in Western Alberta include: a recreation arena to be constructed by the Village of Sangudo, assisted by the County of Lac Ste. Anne; and a Centennial Park to be set up in the Village of Breton.

MANY ACCIDENTS HAPPEN DUE TO A BROKEN WINDSHIELD

Replace your windshield when visibility is poor. We replace glass for all insurance companies and will contact them for you. Due to volume buying our prices are the lowest. If we haven't got your windshield on hand in our large stock, we guarantee one day delivery.

Truck Registration For Winter Work

Recently Hon. Gordon E. Taylor, Alberta Minister of Highways, announced that truck registration for Winter Work commenced on Thursday, November 25th, and that the necessary forms would be available on or after that date in the Highways Building, Edmonton, and in the offices of the District Engineers at Medicine Hat, Lethbridge, Calgary, Red Deer, Edson, St. Paul, Peace River and Grande Prairie. Truckers interested in participating in this program must register early as registration will cease as of December 31, 1965.

The program this winter will be primarily in the more remote areas of the province, with a reduction in the amount of stockpiling in the central or developed zones.

As in previous years, registration forms must be completed in every detail in duplicate and both copies must be turned in at the point of registration, or returned to the Department of Highways at Edmonton.

The gross earnings amount will be set at $1,200 per owner called to the work. However, this figure may be adjusted, depending on the number registering and the amount of work available through the winter.

The truck registration system which was introduced some years ago in Alberta, is designed to distribute the work among gravel dump truck operators presently in the business and depending wholly on this work for their living. The system is not set up as a guarantee of employment, but is an endeavour to distribute the work among as many truckers as possible in order to provide some cash income during the winter months.

Only one truck per owner may be registered. This plan has not been adopted to provide work opportunities for trucks as a side line, and who have other major income sources. In past instances, large firms, professional men, and others, who have substantial business endeavours and also own trucks, have registered these units to obtain winter work essential to others who rely on such opportunities as their basic means of livelihood. Attempts to obtain work in this manner is certainly outside the intent of the program, and is considered wholly unfair to those truckers requiring this limited source of income during the winter months.

In order to effectively operate this scheme, truckers must be ready to go anywhere in the Province when called, and those truckers who are not prepared to do so should not register. It is impossible to handle this system when a trucker is only interested in picking and choosing a project to which he would like to go.

The nature of this work places much of the hauling in isolated areas and a number of the haul routes will be across muskeg terrain and out of some of the major river valleys. The operators must, therefore, be competent and the trucks in good operating condition.

ADVICE FOR
LAND BUYERS

It is unwise to buy a parcel of land sight unseen during the winter months.

The soil's resources is probably the most important of all the factors which must be considered when buying a farm.

A buyer should try to get as much information as possible on the topography of the land, the soil itself and the presence of stones or serious weeds. The soil often determines the type of farming which will utilize resources to the best advantage.

Doing nothing is sometimes difficult because you cant't stop for a rest.
